2023 Sponsorship Request

Dear Business Owner,

HCHA needs your help. We are a not for profit organization that is youth driven and family oriented. We host horse shows throughout the year that promote team work, help set goals, provide opportunities to achieve them and develop good character while teaching responsibility. Our events are very well attended and we are pleased that we continue to grow and expand our program and our youth membership is made up of the best young people in our area. Because of businesses like yours we are able to reward participants with prizes and introduce them to products that are new to their barn. We would love to list you as a sponsor, whether it is monetary or product. No amount is too small and all are deeply appreciated.

Silver Spur - \$100
